**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My husband and I chose sonic.net as our internet service and phone provider because the price is amazing and the service top-notch. Today we have Sonic's fiber service but used their DSL service before fiber was available.

Please vote NO to the price hikes that will increase the cost of internet and telephone services and possibly cut off my relatives who live in rural areas in Iowa from their broadband service.

Broadband is critical to my business as a nonprofit arts consultant, as I work from home, and the lower prices of Sonic save a lot in my monthly budget.

Thank you for your consideration,

Nicolle Foland
